YOU.POWERED.

For over 100 years, Briggs & Stratton has been building the engines that power the equipment people use to get the job done, making us the world's largest producer of air cooled petrol engines for outdoor power equipment.

Briggs & Stratton believes in supporting your aftersale power needs, assisting you in everything you need to keep your engines and power equipment running at their peak performance for years to come.

Our full range of products have been designed to provide an excellent aftercare solution. Made to the highest standards all parts and products are specifically developed to help deliver and maintain quality and performance whilst protecting your engine and power equipment.

All products have been packaged with eye catching design and are supported by effective in-store retail POS material.

Whatever consumers need to keep their outdoor power equipment petrol engines running smoothly, we have the perfect solution.

Briggs & Stratton aftercare products are developed for people who care

Oils & Lubricants

4-Stroke Engine Oil

SAE30 API - SJ/CD

Specially formulated for use in 4-stroke engines in normal conditions.

100004E 0,5 L

4-stroke oil
Temperature range: +4°C - +38°C

x20

100005E 0,6 L

4-stroke oil
Temperature range: +4°C - +38°C

x20

100007E 1,0 L

4-stroke oil
Temperature range: +4°C - +38°C

x12

100006E 1,4 L

4-stroke oil
Temperature range: +4°C - +38°C

x9

100008E 2,0 L

4-stroke oil
Temperature range: +4°C - +38°C

x9

100009E 5,0 L

4-stroke oil
Temperature range: +4°C - +38°C

x4

100046E 25,0 L

4-stroke oil
Temperature range: +4°C - +38°C

x1

100047E 60,0 L

4-stroke oil
Temperature range: +4°C - +38°C

x1

100048E 200,0 L

4-stroke oil
Temperature range: +4°C - +38°C

x1

2-Stroke Engine Oil Jaso FD API - TC+

Fully synthetic oil for use in all 2-stroke engines.

992413 100 ml

2-stroke synthetic oil
Best protection at all temperatures

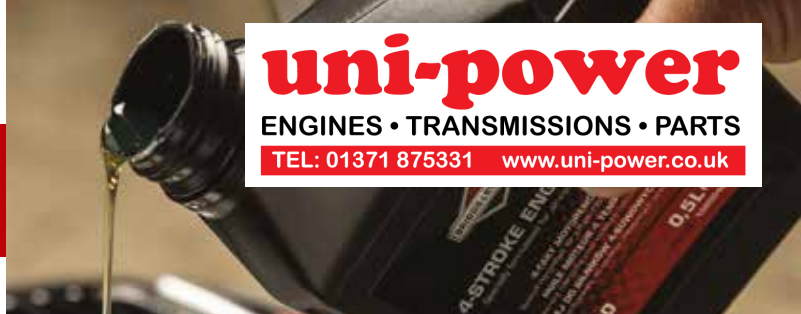

x30

992414 1,0 L

2-stroke synthetic oil
Best protection at all temperatures

x12

Oils & Lubricants

4-Stroke Engine Winter Oil 5W30 API - SN/CF

Specially formulated for use in 4-stroke engines used in low temperatures down to -30°C.

100007W 1,0 L

4-stroke winter oil

Temperature range: -30°C - +38°C

4-Stroke Premium Engine Oil 5W30 API - SN

Fully synthetic long life oil improving fuel economy and achieving lower emissions. Offers maximum protection due to special additives.

100007S 1,0 L

4-stroke oil

Temperature range: -30°C - +38°C

100009S 5,0 L

4-stroke oil

Temperature range: -30°C - +38°C

4-Stroke Commercial Grade Engine Oil 15W-50 API - SN

Marketed specifically at Vanguard® engines but may also be used on other engines requiring JASO MA/MA2, API SN or lower.

100007V 1,0 L

4-stroke oil

Temperature range: -10°C - +50°C

100047V 60,0 L

4-stroke oil

Temperature range: -10°C - +50°C

100009V 5,0 L

4-stroke oil

Temperature range: -10°C - +50°C

Fuel Fit®

Fuel Fit®

Stabilizes fuel for up to 3 years to ensure easy starting.
Mix in a clean can with fresh 95/98 octane fuel.

992380

Arrives shipped in this
Counter Top Display Unit
(includes 30 bottles)

992380 100 ml

FuelFit® 100ml (for 10L petrol)

992381 250 ml

FuelFit® 250ml (for 25L petrol)

Fuel Stabilizer

Why Fuel Fit®?

Today's ethanol-blend fuels can damage engines by attracting moisture. Ethanol readily bonds with atmospheric moisture creating an ethanol-water mix, which is highly corrosive for engine parts. Fuel also begins to degrade almost as soon as you pump it. Gums and varnishes are formed that can stick valves and clog fuel lines and carburetor jets, resulting in severe starting problems, poor engine performance, overheating and fuel leakage.

Briggs & Stratton® Fuel Fit® additive is for use in all 4-stroke and 2-stroke engines. Fuel Fit® works to prevent this and provides an internal coating to protect engine parts. It contains detergents to avoid the build up of dirt, promoting durable, efficient performance and stabilizes fuel for up to 3 years to ensure easy starting.

Available in 100ml and 250ml sizes for dosing varying fuel quantities, with an instore CDU for impactful merchandising.

- ✓ **Cleans and protects from the inside**
- ✓ **Prolongs your engine's life**
- ✓ **Improves performance**

Fully Synthetic Commercial Grade Engine Oil 15W-50 API-SN

By utilising the best engines to power equipment for optimal productivity, power and performance, you know a thing or two about hard work.

So why should your engine oil be any different?

Use the commercial grade engine oil that is as tough as the conditions you may encounter.

- > **REDUCED OIL CONSUMPTION**
- > **LONGER OIL LIFE**
- > **ANTI-WEAR PROTECTION**
- > **FOR OPERATING TEMPERATURES UP TO 50°C**
- > **COLD STARTING AS LOW AS -10°C**
